

# Great Eastern Trail

### Legend

#### status

- Existing
- Planned
- Rail Trail
- Road
- Spur
- Under Construction
- Gap Decision Space
- National Scenic Trails

\* Note: Gap Decision Space represents potential corridors of future trails needed to complete the vision of the Great Eastern Trail. Efforts are under way to find suitable routes in these areas and final trail location may vary from this depiction.

This map was produced through the cooperation of the American Hiking Society, Mid-Atlantic Foot Trails Coalition, Southeastern Foot Trails Coalition, National Park Service Rivers, Trails and Conservation Assistance Program, the Recreation, Parks and Tourism Resources Program at West Virginia University, and Community Design Assistance Center at Virginia Tech.
