Dear Mr. Leone:

The Beaver County Conservation District supports the creation of a bike/hike trail from the Grovetown Trailhead north along the Ohio River through Coraopolis, Moon, and Cresant Townships in Allegheny County and then entering Beaver County in South Heights Borough continuing north through Hopewell Township, the City of Aliquippa, Center Township and ending in Monaca Borough.

We understand that the grant application you are currently applying for will fund a Feasibility Study. While at this time we do not have funds available to assist in this application, we would offer our knowledge and assistance in completing this study. We are willing to commit to the project 48 hours at \$45.00 dollars per hours of in-kind services, for a total of \$2,160.

We look forward to partnering with you and if you need any further assistance please feel free to contact us. Good luck with your grant application.

Sincerely,
