Dr. Vincent Troia, Chief Executive Officer
Ohio River Trail Council
1100 Pennsylvania Avenue
Monaca, PA 15061

Dear Dr. Troia:

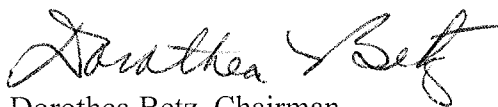

Please consider this a letter of support for your funding application through Pennsylvania DCNR for the Ohio River Trail Project.

Making a connection from Rochester, PA to the point of beginning at East Liverpool, OH greatly enhances the Beaver County Greenway Trails Plan and our Great Ohio Lake-to-River project.

Our Little Beaver Creek Greenway Trail brings thousands of visitors to Columbiana County each year. Preservation, tourism dollars and healthy lifestyles are only a portion of the whole picture.

The health and welfare of our nation is greatly dependent upon plans such as these. People will use these trail systems who would have never considered an active lifestyle prior to a trail placement.

Yours truly,

Dorothea Betz, Chairman
Columbiana County Park District
