Subject: Endorsement of the North Shore Ohio River Trail Project

Dear Ms. Kemp,

The Ohio River Trail Council (ORTC) would like to express our support of the Ohio River Trail North Shore Project. The officials of the Ohio River Trail Council consider bicycle and pedestrian transportation to be of utmost importance to the region. We believe in the necessity of the creation of this linear park to join our communities and provide a safe and scenic venue for recreation and alternative transportation as well as the possibilities of economic and community development. The proposed Ohio River Trail will be building better communities by improving the quality of life, health and wellness of the citizens of Beaver County, Pa. Please accept this letter as formal recognition of the value of this project.

Respectfully submitted,

Vincent Troia
