### Beaver County

Just 20 miles northwest of Pittsburgh and 5 minutes to the International Airport, Beaver County enjoys the great access to metropolitan amenities and provides the kinds of living choices that can suit just about anyone. From rural to suburban to a quaint village lifestyle, Beaver County provides an excellent quality of life and affordable housing alternatives.

Likewise, a diverse array of

business locations, many of them served by rail and barge facilities, are searchable from over 150 tracked in our database. A great location, a proven and productive labor force along with ample power resources and low taxes sets the stage for your company to "Make it in Beaver County".
