Re: Grant Application for Wallace Run Access  
Road Project, Beaver Falls, PA 15010

Dear Dr. Troia:

Beaver Falls City Council is pleased to show their support for the above referenced project. There are approximately 28 acres in the area and it is one of four (4) sites being looked at for the city's proposed Cogeneration sites. Having both at this site would provide safety and security for the boat launching and recreation facility since the Cogeneration will be a 24/7/365 facility.

The city is also willing to provide in kind contribution.

If you have any questions, please feel free to contact me at 724-847-2808 extension 215.

Sincerely,

Stephen L. Johnson  
City Administrator
